

CARAVAN 2010 Participation Requirements for Students Name: _____

Sunnyvale Presbyterian Church supports CARAVAN and the students who participate in it a variety of ways. One significant way in which it does so is through the financial resources it allocates to this experience...what amounts to \$100 per student...and sees this financial commitment as an *investment* in students.

The church makes this commitment with the assumption that students *will invest* themselves into the community (youth group, church community, and also the “neighborhood” community).

Those choosing to be a part of CARAVAN are required to involve themselves in three different areas between now and the time we leave on July 31. Mandatory CARAVAN meetings are not part of these requirements

1) Opportunities to Serve: Students will participate in at least four (4) opportunities to serve in our church and in our community. (If a student wishes to plan their own project or he/she is involved in community service through other organizations, this involvement can absolutely fulfill this requirement.) All service not done through SVPC must be approved by the church.

- If these requirements are *not fulfilled*, a student *can* still go on CARAVAN, but will be responsible for paying an additional \$100 (the cost normally assumed by the church).
- The church will be tracking attendance at planned youth activities.
If you are unsure of how many you have completed, speak directly with Cassie.
- Please save this record as you will need to turn it in on or before July 30.

PLEASE CHECK IF ALL FEES HAVE BEEN PAID Total cost to student = \$600
