PRESBYTERIAN CHURCH

May 28, 2020

Dear Friends,

While the last two months have been a trying time in the life of our church community, we are so encouraged and uplifted by the ways groups have continued meeting. We hardly skipped a beat before groups were figuring out how to use Zoom to gather virtually so that faith, support, and connectedness could continue. We are impressed with the tenacity of some to overcome fears of not being particularly tech savvy but taking on the challenge in order to be “together.” Groups continue to be where we connect with God and connect with each other even when that means doing so in different ways than we might have ever imagined.

Recently, we received a letter from Lead Elder for Worship Lisa McManis and the Session of the Church. This letter stated that **“we will continue our online worship and meetings until we can be sure of the ongoing health of our congregation, neighbors, and friends.”** With that in mind, we want to emphasize that all groups, no matter the size of the group or the age of its members, should continue to forgo meeting in person.

If we can assist your group in any way, please contact us. May God bless you as you maintain the connections so essential to our Church family.

With you in faith,

Carol Heath  
Director of Community Life
